**President's Message**

On a sunny day on October 24<sup>th</sup> 2009, at 10:00AM, after everyone was seated for the tech session at Tafel Motors of Louisville, President Nat Williams introduced instructor **BJ Smith**, the Shop Foreman/Assistant Service Manager at Tafel Motors of Louisville, for the current session. **Jay Harley**, **Buddy Freeman** and **Steve Frame** assisted BJ by taking questions and providing thorough answers. They provided one-on-one expertise as cars

were put up on the lift. The Bluegrass Stars Section invited the Cincinnati Section to join us for a combined tech session. It was a great event. BJ and his crew brought out a new E 350 coupe, a GLK and a C55 for us to see up close. They had a new hybrid S-Class and compared it to the familiar gas model. **Jerry Kerupilsky** put his 1984 380SL up on the lift to be checked out (he was the first to call). The second person was **Dick Barnett** who put his 1988 560SL up on the lift. **Craig Hinrich** made an appointment for his 2007 SLK to be checked out. **Ravi Dhareshwar**, a club member & Mercedes-Benz enthusiastic, invited President Nat Williams & the club photographer, Seth Burr outside to admire his beautiful 2002 C240. After several hours of technical stuff, we dined on a delicious lunch and snacks including Rosie's Famous Chilli, a meat and cheese tray, veggie tray, salty snacks, nuts, cookies, etc. After lunch BJ Smith was awarded a certificate for his continued support of MBCA with his tech sessions. **Hannelore Rader**, Dean of Libraries at the University of Louisville, received a \$1,500.00 Loyalty Reward from MBCA at the tech session after buying her 210 E350 last month. Door prizes, provided by Tafel Motors and MBCA were awarded to nearly everyone in attendance. Thanks to Tafel Motors for allowing MBCA space in the shop area and instructors, even while the shop was serving the public. Thanks to **Bob** and **Nancy Rece**, our club Webmaster,

for coming, along with five other members of the Cincinnati Section, MBCA. A special thanks to **Mary Jo Patterson**, manager of the parts department at Tafel Motors, for providing free door prizes at the tech session.

#### Directions

Drivers should note that the Hurstbourne Park Blvd. is a short street just off S. Hurstbourne Parkway and can be a bit difficult to find. If you are driving east on I-64, take the local access ramp at S. Hurstbourne Parkway, exit No 15B, not exit No. 15A, the main ramp for southbound Hurstbourne Parkway, or you'll miss Erika's. Watch for Erika's on the right before you reach the traffic light. If you are driving west on I-64, turn left on S. Hurstbourne Parkway and look for Erika's on the right.

Turnout was very good, with no football conflicts – but there was room for more! How about you next time?

Jerry Kerupilsky's and Dick Barnett's highly original, low mileage SL's.

It was simply not possible to stump the crack Tafel Motors Mercedes-Benz experts.

The old...a 190SL with a lot of potential...

And the new...the “new car smell” permeating Tafel Motors was intoxicating to many!
